a Leader in
Credit Reporting*

Since our inception, Credit Bureau Services has provided credit reports as it should be ... local & personal

For merchants, purchasing credit reports is not just a smart choice—it's essential to minimize financial risk, enhance credit offerings, prevent fraud, and make data-driven decisions. Our reports empower you to extend credit with confidence, target the right customer segments, and maintain healthy cash flow by drastically reducing the likelihood of defaults or delinquencies. With CBS as your trusted partner, we don't just provide reports; we solve problems and streamline your credit process.

Local & Community Driven

With over 100 years of experience in the reporting arena, our deep understanding of the local market can lead to more effective strategies and better alignment for your needs.

By partnering with our local businesses we foster collaboration, enhance community ties, leading to a more supportive network and a stronger community.

Enhanced Flexibility

Merchants can continue using their existing software and systems without the need to overhaul their infrastructure or learn a new system, making our services easier to adopt.

No inhouse system? No problem. MeridianLinks's cutting-edge app delivers all the power and flexibility you need, ensuring full compliance with required disclosures."

A True Partnership

At CBS, we go beyond simply providing services—we build lasting partnerships. We work closely with you to understand your unique needs, ensuring we deliver solutions that larger firms may overlook.

Our commitment to exceptional, ongoing support means that you're not just a customer—you're a valued partner. We're dedicated to helping you and taking your business to new heights.

Client Testimonials

"If I have any problems, I just call the office and talk to a real person who can help me."
Scott, Banking

"Screening has helped me find quality tenants, which means significantly less problems."
Ivan, Property Mgmt

"CBS can help our customers with any problems on their reports, which is important."
Ruth, Banking
